WHO WE ARE

Synergia Summits is a professional academic conference organizing company dedicated to fostering knowledge exchange, collaboration, and innovation across disciplines. We specialize in creating high-quality platforms where researchers, academicians, and industry experts come together to share ideas and advance global scholarship.

Our conferences have hosted over 700 participants, featured 500 high-quality research presentations, and welcomed 5 valued exhibitors, creating dynamic platforms for scholarly discussion, networking, and innovation. Each event is carefully designed to maintain high academic standards while fostering meaningful engagement among participants. We take pride in our ability to deliver well-structured, impactful conferences that support researchers at every stage of their academic journey. Through our growing conference portfolio, we continue to strengthen international research networks and contribute to the advancement of knowledge worldwide.

We warmly welcome you to be part of our future conferences and look forward to supporting your research and academic goals.

BRINGING GLOBAL MINDS TOGETHER

OUR MISSION AND VISION

Our mission is to empower researchers by delivering high-quality academic conferences that foster collaboration, knowledge exchange, and meaningful global impact.

Our vision is to create a world where researchers are seamlessly connected through **impactful conferences** that inspire ideas and drive global progress.

ABOUT MCDDCONGRESS2026

After the success of MCDDCONGRESS2024 and MCDDCONGRESS2025, It is a great pleasure for us to announce and invite you all to participate in the 3rd International Congress on Medicinal Chemistry, Drug Discovery & Drug Delivery (MCDDCONGRESS2026), which will be held in Berlin, Germany on November 05-07, 2026.

The objective of MCDDCONGRESS2026 is to provide a unique forum for discussion of the latest developments, refresh your knowledge and will offer plenty of networking opportunities, providing you a chance to meet and interact with leading researchers as well as most influential minds in the field of medicinal chemistry, drug discovery & drug delivery.

The MCDDCONGRESS2026 will showcase cutting-edge research, novel findings, and creative ideas that have the potential to shape the future of medicine and drugs research. Through a series of thought-provoking plenary and keynote speeches, and interactive thematic sessions, we will explore the latest advancements in development of medicinal chemistry, drug discovery & drug delivery.

As a distinguished professional in your field, your expertise and insights would be invaluable in enriching the dialogue at our conference. Your presence will not only contribute to the success of the event but also provide a unique platform for networking with fellow experts, industry leaders, and policymakers from around the globe.

We look forward to your valued presence at MCDDCONGRESS2026 in Berlin.

Sincerely
Organizing Committee
